PROFESSIONAL SUMMARY

Entry-level Python Developer with strong knowledge of Python, Object-Oriented Programming (OOP), SQL, and problem-solving. Skilled in developing Python applications, working with data structures, APIs, and databases. Passionate about building scalable software solutions and eager to contribute as a Python Developer.

TECHNICAL SKILLS

- **Programming Languages:** Python, SQL, HTML, CSS, JavaScript
- **Frameworks:** Django
- **Python Libraries:** Pandas, NumPy
- **Database:** MySQL, SQL
- **Version Control:** Git, GitHub
- **Tools:** VS Code

PROJECTS

SecureCollab

- Developed a secure file-sharing web application using Python and Django.
- Implemented role-based authentication and authorization for multiple user roles.

- Built secure file upload, sharing, and access management features.
- Integrated a relational database (MySQL) for secure data storage.

Online Courier Management System

- Developed a courier management web application using Python, Django, and MySQL.
- Implemented booking, parcel tracking, delivery status, and order management features.
- Designed responsive user interfaces using HTML, CSS, and JavaScript.
- Integrated MySQL database for efficient order and customer data management.

Exploratory Data Analysis

- Performed data cleaning and exploratory data analysis using Python, Pandas, and NumPy.
- Identified trends and generated actionable insights through data visualization.
- Improved data quality by handling missing values and preparing datasets for analysis.

SQL Data Cleaning

- Cleaned and transformed raw datasets using SQL.
- Removed duplicate records and handled missing values to improve data quality.
- Optimized SQL queries for efficient data processing.

Diwali Sales Analysis

- Analyzed customer purchasing behavior using Python, Pandas, and Matplotlib.
- Created visualizations to identify top-performing products and customer segments.
- Generated business insights to support data-driven decision-making.

INTERNSHIP

Dyashin Technosoft Pvt Ltd Intern – Frontend & Application Development

- Collaborated with cross-functional teams during project execution
- Assisted in frontend application development, testing, and UI enhancement activities during internship projects.
- Assisted in testing and feature implementation

EDUCATION

Master of Computer Applications [MCA]

AMC Engineering College, Bengaluru, 2024–2025

Bachelor of Computer Applications [BCA]

Dr B B Hegde First Grade College Kundapura, Udupi, 2020–2023

LANGUAGES

English, Kannada, Hindi
